*Daylily Exhibition—Tower Hill—July 27, 2019****Participate in the Daylily Exhibition***

This year's exhibition is late in the season, and a few exhibitors from past years will not be participating this year. We need your entries! Please make the time to exhibit at least 2 or 3 scapes. It only takes 1 scape to win Best In Show. You can also submit "off scape" flower blooms. This requires little time in grooming and the public will get to see cutting edge day-lilies. Have fun, win ribbons, win awards, win cash!

**Denise Pavlovich, Exhibition Chair**

[DPAV54@HOTMAIL.COM](mailto:DPAV54@HOTMAIL.COM) OR 978-433-0445

***Upon Arrival:***

Upon entering Tower Hill, you must identify yourself at the Toll Station as a volunteer, judge, exhibitor for Daylily Exhibition, or a NEDS member for free entry into Tower Hill.

***Friday, July 26- Set-up:***

**Friday, July 26. We NEED volunteers to help.**

With Michael Sczerezen now living in Maine, we need your help. Tower Hill Tables will be set up for us, but some may have to be moved into position. Tablecloths will have to be draped over tables. Vases will need to be unpacked and set on tables in the Orangerie for use by daylily exhibitors the following morning. With several folks helping, this work should take no more than a couple of hours. Please email Denise Pavlovich at [dpav54@hotmail.com](mailto:dpav54@hotmail.com) if you are willing to help with setup.

***On Exhibition Day- Saturday, July 27:***

Saturday, July 27, Exhibition Day starts at 7:30 a.m. When dropping off your scapes to be exhibited, drive past the "do not enter" sign to the rear of the building. Drop off your scapes -someone will be there to help you. Return your car to the parking lot; there is no parking at the loading area. Cleaning and grooming of scapes to be exhibited will be from 7:30 a.m. to no later than 10:45 a.m. All exhibited daylilies must be given to Deborah Myrick, Classification Chair, for classification. Exhibitor must complete the form with the information given by the Classification personnel, and attach to scape in the vase. You can lose up to 15 points if your exhibit is not groomed properly, i.e. brown on the scape, pollen on the petals, etc. Placement chair Donna Carlin will place your exhibit in the proper division. If your exhibit is one of the five Regional Popularity Poll daylilies: **ROSE F. KENNEDY, SUN PANDA, WHITE EYES PINK DRAGON, WEBSTER'S PINK WONDER, and HEAVENLY UNITED WE STAND - it must be displayed in Division I, Section 9, Popularity Poll, not in large, small, miniature, etc. areas.** If you have any concerns about how to groom your daylilies for the Exhibition, someone will be there to educate and assist you. If you have questions, please contact Denise Pavlovich @ 978-433-0445 or [dpav54@hotmail.com](mailto:dpav54@hotmail.com).

*Daylily Exhibition—Tower Hill—July 27, 2019*

---

**Helpful hint:** Bring **address labels** to complete your entry tags--this will save you time since you must **write your name and address twice on each tag**. Tower Hill Botanic Garden, the location for our Exhibition, is located on 132 acres with breathtaking views of Mt. Wachusett and Wachusett Reservoir. Take time to wander around this incredible garden.

### ***Judging of Scapes:***

Judging will begin promptly at 11:00 am. **Clerks** are to report by 10:30 am-- Jim Brennan, Pam Kahn, Lis Murphy, Valerie Price, Shirley Ann Robbins and Anna Wilkens **Note:** *Clerks can exhibit scapes and are encouraged to do so.* The exhibition will open to the public at 1:30 pm.

### ***Exhibition open – 1:30 PM***

**Exhibition displaying 120 to 150 of the finest daylilies grown in the Northeast.** This is a good opportunity to grow your wish list. The success of our Exhibition depends on members getting involved. Remember, you can exhibit current or older daylilies. We look forward to seeing everyone there. It promises to be a wonderful time.

### ***Daylily Sales and Membership Table:***

**Daylily Sales:** This year there will not be a NEDS table. There are 3 sellers: Marlene Harmon, Nancy Stern and SallyAnn King.

A reminder to those selling their daylilies NEDS gets 20% of your gross sales. A donation of a registered daylily, that will be given to NEW AHS members that join at the Exhibition, is also required. Contact Denise Pavlovich (978.433.0445) or email her at [dpav54@hotmail.com](mailto:dpav54@hotmail.com) with any questions.

**Membership Table:** Volunteers needed to man the membership table.. We are looking for people with an abundance of enthusiasm to explain the benefits of joining the daylily society. Hopefully, when visitors learn that becoming a member of AHS means they are also members of AHS Region 4 and NEDS, some will immediately want to join. Visitors who join AHS on this day will receive a free daylily plant. Enticements are needed to recruit new members to AHS and to raffle off to the general public. One of the goals is to educate the public about our favorite flower and to recruit new members to AHS. If you have a daylily, seeds, or want to offer a discount coupon to your selling garden, contact Denise Pavlovich (978.433.0445) or email her at [dpav54@hotmail.com](mailto:dpav54@hotmail.com).

The cut portion of the scape must then be placed alongside the base of the container holding the entry.
4. A seedling having won the AHS rosette in any other show is not eligible.
5. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.

(Refer to *Multiform Classification Code* on page 7 of this schedule.)
8. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified. They must be entered in the seedling section (Section 10). They may also be entered in the Ophelia Taylor Horticultural award (Section 12) in Class 2. They may also be entered in the Achievement Medal (Section 11), however, this option is only available to the hybridizer of the entry. The entry tag must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
