Presidents Ponderings

Dear NEDS members,

Let me introduce myself for those who may not know who I am. My name is Shirley Ann Robbins, your new president. I live in Georgetown, MA; am an avid gardener; a member of my local garden club for 37 years holding many positions including president. When the question of 501©3 status was in possible jeopardy, knowing the possible consequences and difficulty of reversing the situation, I volunteered to take the office of president. I felt that with my past experience, I at least knew what I was volunteering for (maybe). A big thank you to Allison Tanner for stepping up to the vice presidency.

It is finally snowing, but since this is February, spring should hopefully appear shortly. Did some cleaning up last week (that is what probably brought the snow). With the advent of spring, the club has activities and projects to prepare for. First is our sale at The Gardener's Fair in May. July brings us to the annual Exhibition on the 16th and the Region 4 Regional Convention in Nashua, NH on the 22-24th. This will be an exciting time for the club.

Our March meeting with speaker Bill Waldrop sounds interesting. We will be voting on our new budget. If the mild weather we have been having continues, I hope we will have a big turnout. Hope to see you at the meeting,

- Shirley Ann

NEW ENGLAND DAYLILY SOCIETY – BOARD OF DIRECTOR MINUTES—submitted by Kathy Viamari

January 9, 2016, Meeting called to Order 10:00 AM

Members Present: Kathy Viamari, George Viamari, Lisa Lipomi, Tom Riccio, Mike Sczerzen, Joan Hutcheon, Susan Stowe, Adele Koehan.

1. Minutes from November 14, 2015 meeting approved.
2. **Treasury Report:** Tom Riccio reported that the money earned by the club from the Dave Mussar 50/50 auction was approximately the same as the expenses.
3. **May Sale** – will be held at the Gardner's Fair on May 14, 2016. Adele has volunteered to man a table with plants donated by NEDS. Some plants will come from a Daylily Dividing Day conducted by Carl Harmon on May 7th. Additional donations are needed.

Additional selling spots will be available – let Adele know and she will provide information on registering for space. Each seller will pay the \$10.00 table rental fee and NEDS will cover the space fee.

4. **Paul T** - It was decided that the club will dig-up and temporarily relocate his plants to Tom and Lisa's Property. The digging will take place on the weekend of June 11th and 12th. Plants will be used for the Member Sale in August and the plant Boutique at the Regional in July on a 50/50 basis.

5. **August Sale** – It was agreed that the August Member Sale will be held on August 20 and all \$ 5.00 table plants and auction plants will be donated.

The Faulkner plants and babysitting plants will also be auctioned. Please check with Carl regarding which plants need to be returned. Adele will reserve the Church Hall in Wakefield.

6. **Elm Bank** – NEDS is responsible for the irrigation system in the Daylily Garden at Elm Bank. This will mean that NEDS will be responsible to pay the fees associated with opening and closing the system each year and any maintenance which is required.

Joan and Adele offered to work on issues surrounding EB and decide on what NEDS need to do to support the program and is it a reasonable activity and expense.

7. **Board Vacancies** – A discuss was held as there are a number of vacancies on the board which need to be filled. It was agreed to bring this up for a discussion at the general meeting.

8. **Future Meeting Schedule** – There was discussion regarding our yearly meeting schedule and it was decided that four meeting per year was sufficient, in addition to the 2 sales and 1 exhibition. This would mean no December meeting.

Further discussion will take place at the general meeting. Also to be discussed was for each meeting to be a pot luck.

9. **Meeting Room Location** – Board recommended that all future meeting would be held in Room C for financial reasons as Tower Hill is significantly increasing the cost for Rooms A and B.

Meeting adjourned – 10:50 AM

GENERAL MEETING NOTES

1. Photo Contest – The Photo Contest took up the rest of the AM meeting. Thanks to Paul Bourret for organizing.
2. Review of Board Vacancies – A discussion took place to address the need for filling vacancies for officers and board members. It was agreed that the following members would be added to the board. A big thank you all very much for volunteering.
President – Shirley Robbins
Vice President – Allison Tanner
Board Member – Joan Hutcheon
It was also discussed that a new Treasurer will be needed for Jan 2017 along with other general board members.
3. Door Prize Winners
Curt Turner – But I Repeat Myself

(Pastor Laurie Ann Moeller x Moment in the Sun) Tet. Dormant. Early blooms. 24" tall, 6" flower, 3 way branching, 18 to 20 buds. Orange ruffled self above green throat. \$50

NEDS Volunteers needed to help with Dig and Divide Events this spring

We hope you can join us at one or both of the Dig and Divide Events we'll be holding this spring. Bring your own pitchfork and gloves and come prepared to get your hands dirty! We need as much help as we can get!

May 7 - 10:00 AM at Elm Bank Reservation, 900 Washington Street (Rt.16), Wellesley, MA
NEDS has a daylily display garden at Elm Bank and the daylilies need to be divided. We plan to divide some of the clumps and save some of the daylilies for our May sale to be held at Elm Bank "Gardener's Fair" the following week on May 14th. See the info about our garden on Mass Hort's website: <http://www.masshort.org/gardens48>.

June 11 - 12 - We will be digging daylilies from our late President Paul Tarmesewicz's garden to be used for the NEDS August Sale and for the plant Boutique at the Regional in July. A big thank you to Tom Riccio and Lisa Lipomi who have volunteered to host the plants in their garden until the time they are needed. We will need your help to dig them up and get them planted at Tom and Lisa's. Details will follow in the next newsletter.

From the Babysitting Plant Chair

The Babysitting Plant Drawing will be held after the April 2016 Meeting!

If you are an active member of NEDS, defined as being an AHS member and having attended at least 3 NEDS meetings in 2015, you are eligible to enter for the drawing to be able to receive a babysitting plant. You grow the plant for 3+ years and then return the entire plant for the August 2019 NEDS auction. We have changed the babysitting program and we now solicit newly introduced donations from our NEDS hybridizers. The number of babysitting plants to be awarded will be based upon the number of donations or the number of applicants, whichever is lower. The order upon which the names are drawn will be the order that folks get to pick from the available list.

If you are currently growing a babysitting plant you are not eligible for this drawing.

So please either email Carl Harmon at harmonhill25@comcast.net or complete the form below and give it to me at the March or April meeting or mail to me at 49 Ledge Road, Hudson NH 03051.
